

CONKERS DAY NURSERY

NOVEMBER 2015 NEWSLETTER.

Debbie?

Who are these people?

If you have had a few children come through the nursery you may remember Debbie, she is the owner of the nursery, Debbie and her family are moving back to Diss after seven years of living in Brazil, Rob will be back early December and Debbie and Ruby will be back just before Christmas, Frank their elder son has been back a few years at school.

From the New Year you will start seeing Debbie in the office as she eases herself back into nursery life, and the chill of winter.

Winter walks

Sorry to keep asking, please can we have all clothing named, as well as all coats, shoes, hats and goves, sometimes the children are good at recognising their own clothes, but if its a new item, or if there are 4 or 5 the same, or if they

don't like that jumper! It does become tricky trying to sort out 20 children.

Also we do like a muddy puddle...so old clothes or clothes you do not worry about...

Contact numbers.

If you could just pop your contact numbers down with your childs name on

CONKERS DAY NURSERY

NOVEMBER 2015 NEWSLETTER.

the slip provided to make sure we are up to date.

Term time dates

Last day of term 18th December 2015
returning Tuesday 5th January 2016.

The nursery will be shut on 25th and 28th December and on 1st January, for full time children we will be running reduced hours over the 24th and 31st we will send a letter to those of you concerned.

Show time

We have been asked by a few parents if we will be hosting a show again this year, due to the young ages of the children and staff holidays we have decided to give it a miss this year. If you heard anything above the crying last year you did well.

Junk Modelling

If you have any cardboard tubes going spare, we would be very grateful, yes you will get them back but they will be very pretty.

Also if you have any small pans, old kitchen utensils, bits and bobs that we can fill with water, mud & sand, that we can use in our mud kitchen that would help us out.

Do any of you have an old salad spinner that you don't use, please can we have it.

One of our favourite activities

Moon dust. Try mixing this at home it is messy but good fun, Mix 8 cups flour

with 1 cup of baby oil add glitter
(optional)

It has the loveliest texture, is good for moulding and textured play as well as mark making.

This works well with all age groups.

Coffee Morning

Thank you for your support, we raised £200.00 for Macmillan Cancer Support.

Winter weather

Hopefully we will not have too harsh a winter, but if the weather does get bad and we cannot get in (it has to be very bad) we will put a notice on the local news web pages and call parents who have an 8am start.
